3 Discussion

- Backlog 1st Level V&V
9th sprint completed and 10th sprint is started. The Backlog is visible in the validation repository: <https://github.com/openETCS/validation/issues?milestone=11&page=1&state=open>
- V&V Findings from Workshop
We will not have minutes to follow up on findings of the Braunschweig V&V workshop. Instead, we will have feeding of the findings into our Scrum process and follow-up in our daily scrum.
