2 Agenda

- D7.1 Review
- T7.2 Secondary Tools Chain Status and Steps

3 Discussion

- D7.1 Review
Still a few open issues are blocking closing of the document. We invite for a meeting on Monday for closing the issues.
- T7.2 Secondary Tools Chain Status and Steps
For task 7.2 a weekly planning meeting is scheduled (Thursdays, 10:30). The organisation of presentations of tools of the secondary toolchain was proposed. The organisation of the tool selection workflow will be discussed in the weekly meeting.
