2 Agenda

- Backlog 1st Level V&V

- D4.2.1 V&V Report

- First Workshop on Safety Assessment

3 Discussion

- Backlog 1st Level V&V
  12th sprint completed. (Last sprint in planning.) Since there is still some work on the items in progress the items will be managed in sprint the 12 backlog.

  Before starting with 2nd level V&V the we plan to invite to a Level 1 retrospective meeting.

  The Backlog is visible in the validation repository: https://github.com/openETCS/validation/issues?milestone=11&page=1&state=open

- D4.2.1 V&V Report
  D4.2.1 document structure is available. The results of V&V 1 level shall be incorporated in this document. The progress of this document is on the agenda for the upcoming WP4 meetings.

- First Workshop on Safety Assessment
  The workshop is planned (but not yet confirmed) to take place at AEbt in Nürnberg. Agenda is currently in preparation. urlhttps://github.com/openETCS/validation/wiki/First-Workshop-on-Safety-Assessment
