3   Discussion

- Activities
  Task 7.2 activities have bees set to obsolete since participation from the openETCS community was small. However, Stefan noted a contribution from his side has not been published due to this decision. The issue will be clarified bilaterally.

  Task 7.3 "Toolchain Development": https://github.com/openETCS/toolchain/wiki/Toolchain-Development.

  The document has been checked and updated with the partners status during the meeting.
